Projects

”CYBER CONCLAVE” Event Website Design (Feb 2024 – Mar 2024) CYBER CONCLAVE

- Led the complete design of the Cyber Conclave website, starting from wireframing to high-fidelity UI using Figma.
- Designed unique illustrations, logos, posters, and banners, demonstrating expertise in branding, typography, and layout.
- Ensured a cohesive visual identity across digital assets, showcasing skills in Adobe Illustrator, creative direction, and responsive web design.

EDSYNAPSE Website Design (Jul 2024 – Aug 2024) EDSYNAPSE

- designed the EDSYNAPSE website as part of a team project presented at the '1st Industry Conclave' held at VIT Bhopal.
- Focused on a user-centered interface with clean navigation and a modern visual approach, using 'Figma' for prototypes.
- This project demonstrated strong collaboration, UI/UX strategy, and front-end design thinking from concept to presentation.
